## Community West Bank

## **REGULATION CC FUNDS AVAILABILITY DISCLOSURE**

YOUR ABILITY TO WITHDRAW FUNDS AT COMMUNITY WEST BANK: Our policy is to make funds from your cash and check deposits available to you on the first business day after the day we receive your deposit. However, funds from electronic direct deposits will be available on the day we receive the deposit. Once the funds are available, you can withdraw them in cash and/or we will use them to pay checks that you have written. For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If your deposit is received in any of our branch locations before the cut-off time, which is 5:00 pm, Monday through Thursday, and 6:00 pm on Fridays, or if the deposit is made at one of our ATMs (located at all of our branches) before 3:00 pm on a business day that we open, we will consider that day to be the day of your deposit. However, if you make a deposit after our cut-off hour or on a business day that we are not open, we will consider the deposit made on the next business day we are open.

**Reservation of Right to Hold:** In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after the day of your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. The first \$250 of your deposit, however, may be available on the first business day after the day of your deposit.

**Longer Delays May Apply:** We may delay your ability to withdraw funds deposited by check into your account an additional number of days for these reasons:

- You deposit checks totaling more than \$5600 on any one day.
- You redeposit a check that has been returned unpaid.
- You have overdrawn your account repeatedly in the last six months.
- We believe a check you deposited will not be paid.
- There is an emergency, such as a failure of computer or communications equipment.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. If your deposit is not made directly with one of our employees, or if we decide to take action after you leave the premises, we will mail you the notice by the business day after we receive your deposit. If you need the funds from a deposit right away, you should ask us when the funds will be available.

Holds On Other Funds: If we cash a check for you that is drawn on another financial institution, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it. If we accept for deposit a check that is drawn on another financial institution, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.

Special Rules for New Accounts: If you are a new customer, the following will apply during the first 30 days your account is open. Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5600 of a day's total deposits of cashier's, certified, teller's, traveler's, postal money orders, and federal, state, and local government checks will be available on the first business day after the day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5600 will be available on the 9th business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5600 will not be available until the second business day after the day of your deposit. Funds from all other check deposits will be available no later than the 9th business day after the day of your deposit.
